

FEEDBACK FORM

2025 Freight Priorities Program (FPP) Overview

The MPOAC Freight Priorities Program Support Team welcomes agency feedback on the 2025 Program. Please use this form to provide your thoughts on the online application and program as a whole. There is no requirement to fill out all the sections, you may complete as much as you would like. Make sure to include any features or changes you would like to see made to the portal. As we look to improve the system and program each year, we will use these responses as a guide to inform changes. Once you have completed filling out the form please return it to either Tom Brandenstein (tbrandenstein@whitehousegroup.com) or Haitao Yu (hyu@camsys.com).

Did you attend a FPP training sessions? Do you have any feedback or suggestions on the presentations or material?

Do you have any feedback or suggestions on the provided FPP support documents? (FPP Instructions, DFC Checklist, etc.)

FEEDBACK FORM

Do you have thoughts on the changes to project eligibility with the inclusion of new project types that were introduced in the 2022 cycle (i.e., non-SHS projects)?

Do you find the online application portal easy to navigate and submit projects?

Are there any negatives or pain points you found while using the online application portal?

What features or changes would make the online application portal more useful or easier to use for your agency?

FEEDBACK FORM

Any other general feedback or suggestions?

FEEDBACK FORM

The section below is the list of questions that were featured on the 2025 project applications. Use the right-hand column to note any remarks on the individual questions asked. Please note any questions that your agency found difficult to answer or could be worded in a different manner to be clearer. Also, let us know if there is any information that we are currently not collecting that you believe could be beneficial when positioning projects for possible funding.
