powered by the Broward MPO

Freight Priorities Program:
Project Application Training

February 23, 2026

MPOAC **FRFC**
FREIGHT & RAIL COMMITTEE
powered by the Broward MPO and Hillsborough TPO

Participation

- We want to encourage participation throughout the presentation!
- If you have a question or comment, please:
 - Use the hand raise feature (located on the “Reactions” button), and a meeting host will unmute you.
 - Type your remark into the Q&A feature 
- This presentation will be recorded and available to view on the FPP portal website.

Agenda

1. Program Purpose
2. Process Overview
3. Roles and Responsibilities
4. Project List Example
5. Historic Performance
6. Support Materials
7. Online Application Portal
8. Application Demo
9. Schedule
10. Questions

Training Session Goals

Training Session Goals

1. Understand the purpose and the process of the Freight Priorities Program (FPP)
2. Cover project eligibility
3. Learn how to submit online project applications
4. Understand what assistance is available to agencies
5. Note important dates in the Program schedule

Program Purpose

Provide MPOs with an opportunity to identify high priority freight projects on an annual basis

Use the MPOAC as a united voice to promote these MPO priorities

Position projects for future funding opportunities

Program Purpose

Provide MPOs with an opportunity to identify high priority freight projects on an annual basis

- Identify freight needs in your region
- Prioritize the projects that address those needs
- Account for annual changes

Program Purpose

Use the MPOAC as a united voice to promote these MPO priorities

- Collect each agency's highest freight priority projects into a single product
- Endorsed by the MPOAC
- Transmit to FDOT Leadership, Central Office, and District Offices

Program Purpose

Position projects for future funding opportunities

- Highlight network designations to target funding
 - FDOT Central Office controls allocations to:
 - **National Highway Freight Program (NHFP)**
 - **Strategic Intermodal System (SIS)**
 - FDOT District Offices, in coordination with MPOs, control funding for:
 - **State Highway System (SHS)**
- Contribute to discretionary grant pursuits and other non-state funding sources
 - INFRA, BUILD, etc.

Program Purpose

- FPP Project List is incorporated into FDOT’s prioritization process for allocating NHFP funding, with eligible projects receiving 7.5% of the total points for inclusion on the List
- Process described in the FDOT Freight Mobility & Trade Plan (FMTP) Technical Memo 6
- Florida’s annual NHFP funding allocation in FY 2025 was approx. \$70 million

2024/2025 FPP Projects Tentatively Programmed with NHFP Funding

No.	MPO	District	Project Name	FM Number	NHFP Funding 2026 - 2031
1	Florida-Alabama TPO	3	SR-8 (I-10) from EB Weigh Station to Nine Mile Rd.	437905-2	\$489,461
2	Florida-Alabama TPO	3	SR-8 (I-10) from Nine Mile Rd. to US-29	437905-3	\$959,218
3	Okaloosa-Walton TPO	3	SR 20 from W of the Freeport City Hall to Black Creek Blvd.	220635-8	\$342,542
4	MetroPlan Orlando	5	Truck Parking - Central Florida Corridor: Seminole County Site	446445-1	\$22,164,513
5	MetroPlan Orlando	5	Truck Parking - Central Florida Corridor: Osceola County Site	446445-5	\$26,963,265
6	MetroPlan Orlando	5	Truck Parking - Central Florida Corridor: Orange County Site	446445-3	\$4,500,000
7	MetroPlan Orlando	5	SR 60 from Prairie Lake Road to Florida’s Turnpike	452574-1	\$7,672,000
8	Hillsborough TPO	7	I-4 Truck Parking Facility	448698-1	\$353
9	Hillsborough TPO	7	SR-60 (Adamo Dr.) from West of 45th St. to West of Yeoman St.	450768-1	\$9,026,122

Total: \$72,117,474

Funding amounts from FDOT FMTP Tech Memo 7 (October 2025)

Process Overview

1

Each MPO chooses up to 6 total freight projects to submit.

Limit of 3 State Highway System (SHS) roadway projects.

Limit of 3 Non-SHS roadway projects.

Projects need to meet requirements set by the Freight & Rail Committee.

2

Projects are submitted through the online application portal found at www.my-fpp-portal.org

Each agency will have its own unique login credentials.

Past project submission data will be prepopulated if resubmitting projects.

February 27th – March 27th

3

Staff will respond to follow-up questions from consultant team.

Follow-ups questions will be generated through the online portal and be sent via email to designated agency contacts.

Calls/virtual meetings will be available.

4

Project List will be created by the consultant team.

Draft Project List sent to participating agencies to confirm information included.

5

Final Project List will be presented to MPOAC for approval.

Endorsed by the Freight & Rail Committee, Staff Directors, and Governing Board.

Fully endorsed list transmitted to FDOT. Timeline aligns with FDOT's annual Work Program update.

Process Overview

Project Requirements

- Projects are split into two categories;
 - State Highway System (SHS) roadway projects
 - Non-SHS roadway projects

SHS Roadway Projects

- Included in the program since its launch in 2018

- ✓ Roadway project located on the State Highway System
- ✓ Maximum of 3 per MPO
- ✓ Minimum of a funded PD&E
- ✓ Projects must be able to accept accelerated funding

Process Overview

Project Requirements

Non-SHS Roadway Projects

- Committee expanded eligible project types in 2022

- ✓ Non-SHS Roadway, Intermodal Logistic Center Access, Truck Parking, and Rail Projects
- ✓ Maximum of 3 per MPO
- ✓ Minimum of a funded PD&E if required
- ✓ Projects must be able to accept accelerated funding

Roles & Responsibilities

Participants and Contributions

MPOAC

- Program sponsor & guides program
- Approves Project List
- Transmits List to FDOT
- Initiates program changes

Consultant Team

- Develops & administers program
- Provides training
- Reviews applications
- Creates Project List
- Implements program changes

FREIGHT PRIORITIES PROGRAM

powered by the Broward MPO

MPOs

- Members of MPOAC & FRC
- Submit project applications
- Use the List to advocate for projects
- Provide program feedback

FDOT

- Supports MPO applications
- Considers List when prioritizing projects and making funding decisions
- Provides program feedback

Project List Example

District Level List

2025 Project Priority List – FDOT D5 [Freight Coordinator: Sarah Van Gundy]

Map ID	Project Name	County	Project Type	FM Number	DFC Priority	PD&E Status	Project Request (Millions)	Network Designations*			
								SHS	NHFN	SIS	RFN
MetroPlan Orlando											
P23	US-17 (SR-600, John Young Pkwy.) Widening and Intersection Improvements at Pleasant Hill Rd.	Osceola	Roadway	418403-6 418403-7	Yes	Completed	\$142.2	Yes	No	No	Yes
P24	Truck Parking - Central Florida Corridor: Seminole County Site	Seminole	Truck Parking	446445-1	Yes	Completed	\$38.3	Yes	Yes	Yes	Yes

INSTRUCTIONS

FREIGHT PRIORITIES PROGRAM
powered by the Broward MPO

2026 Freight Priorities Program (FPP) Overview

1. Changes to the 2026 Freight Priorities Program
 - No significant changes to the program.
 - MPOs will be able to submit up to three State Highway System projects.
2. Identify up to three SHS roadway projects
 - Roadway projects should fall under the State Highway System.
 - Projects must be post-PD&E.
 - Projects should be unfunded.
3. Identify up to three non-SHS roadway projects
 - Projects should be a non-SHS roadway, parking, or rail projects.
 - Projects must be post-PD&E for the project.
 - Projects should be able to participate in any funding programs they are eligible for.
4. Complete the online project application
 - A 60-minute Zoom training will be held on February 27, 2025 (9:00 a.m. to 10:00 p.m.).
 - On [February 27, 2025](#), each planner should access their accounts and be ready to submit their application at [portal.org](#).
 - The Committee's consultant will be available to provide additional information or clarification. Contact Tom Brandenstein at tbrandenstein@camst.com and Haitao Yu at hyu@camst.com.
5. Collaborate with your partner MPOs
 - MPO staff should work with their partner MPOs on projects they are planning on submitting to the Work Program scoring criteria process, and the criteria for the Priority Project list, because it benefits each MPO to know together to complete the application.
 - Your DFC will likely know the criteria for the Work Program scoring criteria process, and the criteria for the Priority Project list, because it benefits each MPO to know together to complete the application.
 - It benefits each MPO to know together to complete the application.

INSTRUCTIONS

FREIGHT PRIORITIES PROGRAM
powered by the Broward MPO

Instructions: Completing the Online Project Application

All Projects	SHS Only
Questions in boxes shaded blue will apply to all project submissions.	Questions in boxes shaded green will only apply to SHS roadway project submissions.

General Information	
Question	Desired Response
1a. Project Name:	Enter the project name as it appears in your approved plans (TIP, Work Program).
2a. Facility Name:	Enter the roadway/facility name (identify the state route if applicable).
3a. Project Category:	Select the appropriate project category from the dropdown list. <ul style="list-style-type: none"> • State Highway System Roadway • Non-SHS Roadway • Intermodal Logistics Center Access • Truck Parking • SIS Rail • Non-SIS Rail This choice will direct you to the correct project information questions depending on your selection.
4a. Are any other MPOs involved in the project?	Select Yes/No. If Yes, select the other participating agencies.
5a. Which counties are involved in the project?	Enter all counties that are involved in the project.
6a. Are there any private partners involved in the project?	Select Yes/No. If Yes, enter all private partners that are involved in the project.
7a. Is this a District Freight Coordinator Priority Project?	Select Yes/No.

Click Continue to move to the next set of questions.

DFC Checklist

- Encourages collaboration with your District Freight Coordinators
- Advantageous to align priorities with your District Office
- District Coordinators will know which projects are well suited for FDOT's Work Program scoring criteria and are contenders for discretionary grants

DFC CHECKLIST

The Metropolitan Planning Organization Advisory Council (MPOAC), in partnership with the Florida Department of Transportation (FDOT), has developed the Freight Priorities Program (FPP) to annually identify and promote high-priority freight projects within the planning boundaries of Florida's Metropolitan Planning Organizations for consideration in FDOT's 5-Year Work Program and other potential funding sources. One of the FPP's objectives is to foster collaboration among the MPOAC's members and its partners to develop a critical list of freight projects that represent the unified input of the MPOAC.

Why is Interfacing with Your FDOT District Freight Coordinator (DFC) Important?

A critical resource that each MPO should consider in the FPP process is the knowledge and input of their FDOT District Freight Coordinator (DFC). Part of each DFC's job is to understand the federal and state funding processes (e.g., [Work Program](#), [Freight Mobility and Trade Plan](#), [National Highway Freight Program](#), [Strategic Intermodal System](#)) that can support freight projects in Florida. They will know which projects within your region align well with the criteria for each program, as well as which ones stand a better chance for funding when the FPP list reaches higher levels of review.

It benefits each MPO to work directly with their DFC to make a more informed decision about which project(s) they should nominate for the MPOAC's FPP. Remember that your DFC must also submit a District Priority Project list, which Central Office will consider, so it is beneficial to know if any MPO freight priorities may also be on their list because those projects could score higher during FDOT's internal project prioritization process.

Note that this exercise is meant to create a stronger partnership between the MPOAC and FDOT and to inform your decision-making. We are not encouraging MPOAC members to allow FDOT to choose MPO priorities. We are simply calling for more coordination between the FPP and the DFC's District Priority Lists. Below is a checklist that can help your MPO choose which projects to submit for this year's FPP.

What to Cover when Working with your FDOT District Freight Coordinator

- Identify your MPO's assigned [District Freight Coordinator](#). If your FDOT District has a vacancy for that position, work with Holly Cohen from Central Office.
- Let your DFC know that your MPO is considering submitting a project(s) as part of this year's MPOAC Freight Priorities Program.
- Ask them to share the list of projects they are considering for their District Priority Project List that are located within your MPO's planning boundary. Note that their list may still be in development.
- Compare their list to the projects you may be considering from your MPO's products (e.g., Regional Freight Plan, Transportation Improvement Program, Long Range Transportation Plan).

Do you have thoughts on the changes to project eligibility with the inclusion of new project types that were...

Do you find the online application portal user-friendly?

Are there any negatives or positives about the application portal?

What features or changes would you like to see to make the application portal easier to use for your agency?

FEEDBACK FORM FREIGHT PRIORITIES PROGRAM powered by the Broward MPO

2026 Freight Priorities Program (FPP) Overview

The MPOAC Freight Priorities Program Support Team welcomes agency feedback on the 2026 Program. Please use this form to provide your thoughts on the online application and program as a whole. There is no requirement to fill out all the sections, you may complete as much as you would like. Make sure to include any features or changes you would like to see made to the portal. As we look to improve the system and program each year, we will use these responses as a guide to inform changes. Once you have completed filling out the form please return it to either Tom Brandenstein (tbrandenstein@whitehousegroup.com) or Haitao Yu (hyu@camsys.com).

Did you attend the FPP training session? Do you have any feedback or suggestions on the presentations or material?

Do you have any feedback or suggestions on the provided FPP support documents? (FPP Instructions, DFC Checklist, etc.)
